Change-in-Title Policy requirements reflect revised procedures issued 12/23/03. Change-in-Title actions listed above are recommended with positions assigned to the appropriate new/revised classification based on a thorough review of job duties and responsibilities.

Voiding/Deleting Registers

The employment registers for the Musical Instrument Technician Series should be voided at the close of business on Monday, June 30, 2014. All testing materials related to these titles should be destroyed.

Class Specification and Examination Components/Instruments

The revised class specification and examining instrument for the Musical Instrument Technician and Specialist (Credentials Assessment) will be effective (available per E-Test) July 1, 2014. For details on class specification and other information i.e. occupational area, work area, promotional line, etc., visit the class specification link at our website at www.sucss.state.il.us.

Pay Rate/Ranges

Where necessary, employers should make adjustments to or establish new pay rates/ranges to accompany the above changes. In some instances, establishing a wide pay range will optimize the opportunity of each employer to properly reflect their individual compensation programs for these operations and positions.

Seniority

Seniority calculations should be reviewed and established based on the final classification assignment.
